NOTICE TO MARINERS Ref: 2 INS 2002

Title: FITTING OF LIGHTS ON LIFEJACKETS ON BOARD FISHING VESSELS

Notice to Owners, Managers of Fishing companies, Masters and Crew of Fishing Vessels

During Safety Equipment Surveys, it has been observed that in some cases the lights as required to be carried on lifejackets under The Merchant Shipping "Safety of Fishing Vessel Regulations 2000 " (Chap 1, Section 7 of 4th Schedule) were missing.

The attention of Owners, Masters and Crew is drawn to the fact that it is compulsory for LIFEJACKETS TO BE FITTED with lights and failure to do so will cause the vessel(s) to be delayed.
