### **REPLY**

Mr Speaker, Sir,

I refer the Honourable member to the reply I gave to PQ B839 wherein I stated that following the presentation of the report to the Service Providing Institutions on 4 August 2007, KPMG will come up with its final recommendations. These have now been submitted and are being examined by my ministry. A final decision will be taken after the publication of the forthcoming report of the Pay Research Bureau being given that there are manpower implications in the report of KPMG.
