

Ministry of Ocean Economy, Marine Resources, Fisheries, Shipping and Outer Islands

Authorised under Section 16 of the Public Procurement Act 2006

Implementation of an Electronic Reporting System (ERS) in Mauritius (Supply, installation, testing & commissioning)

Invitation for Bids
MOF/Q22/2015/OAB 3

The Ministry of Ocean Economy, Marine Resources, Fisheries, Shipping and Outer Islands invites bids from eligible and qualified local and international Service Providers for the Implementation of an Electronic Reporting System (ERS) in Mauritius.

The Electronic Reporting System (ERS) shall fulfill the following requirements:

- **Component 1 :Connection to European ERS Central Node (DEH) enabling,**
 - The collection, storage, display and analysis of ERS data sent by European fishing vessels while they are conducting fishing operations in Mauritius EEZ.
 - The manual query to the ERS EU Central Node (DEH)
 - The manual insertion in the system of ERS data into xml format

- **Component 2 :National Electronic logbook implementation,**

Establish a National Electronic Reporting System (national ERS) with Mauritius fishing vessels for the purse seiner & bank fishing activities.*

*Bidders shall propose a complete software solution package from onboard fishing vessels to ashore data processing.

For both components 1 & 2, the ERS software shall be designed with some functionalities that reinforce monitoring capacity and increase efficiency of the catch analysis.

Bidding document together with the detailed requirements of the Ministry can be downloaded from Public Procurement Portal: publicprocurement.govmu.org

The closing date for the submission of the bids is on Wednesday 15 July 2015 at 13.30 (local time).

The **Ministry of Ocean Economy, Marine Resources, Fisheries, Shipping and Outer Islands** reserves the right to:-

- (a) accept or reject any bid; and
- (b) annul the bidding process and reject all bids at any time prior to contract award, without incurring any liability towards the bidder.
